### 2. Program Description: BA in Communications Completion Program

#### Title of Program: BA in Communications Completion Program

**Description of Program:** The BA in Communications Completion Program enables students to examine the unique formal properties, history, and influences of particular media, delve into the collaborative and creative processes of new projects while navigating the professional and ethical responsibilities that they entail, explore how to effectively communicate ideas and emotions through the lens of professional practice, and examine emerging industry trends and the practical means for cultivating a sustainable, adaptive professional career. Students completing the BA in Communications will be prepared to work in entry level jobs in film production, lighting and composition, directing and screenwriting, and production and design.

This program is designed for those who have already earned an AA degree as well as those who have earned at least 60 semester hours of undergraduate credit and have a deep interest in pursuing a career in film and entertainment.

**Method of Instruction:** Online-learning, reading of textbooks, analysis of films, submission of written and video assignments, and discussion forum including professor and students. During each course, students interact with one another and their professor through the Online Discussion Forum, sharing and debating responses to questions about that week's readings and projects. Students also achieve academic and practical skills by submitting assignments based on the weekly topics. Because the instruction is asynchronous, students are able to create their own schedule.

The STRF fee is currently zero (\$0) per one thousand dollars (\$1,000) of institutional charges. The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if you are not a California resident or are not enrolled in a residency program.

<sup>2</sup>Cost of Equipment will vary depending on individual choices. The costs listed assumes the student has an I-phone and a computer. The required cost estimate is for a video card for a smart phone and movie making software for a computer. The optional equipment cost estimate is an estimated cost of the optional equipment listed in Section 2 of this Agreement and is the result of an internet search for the cost of low end to mid-level new equipment. Used equipment is available for a much lower cost and new high-end equipment costs much more. Minimum cost for the optional equipment would likely be between \$1,000 and \$2,000.

**Affordable Pay-As-You-Learn System:** You only need to pay for one course at a time. Payment may be made by credit card (Visa, Mastercard, Discover, or American Express), check or money order, or bank transfer. (Please note that the student is responsible for any transaction fees incurred from the financial institution).

**Monthly Payment Plans:** Students who choose to pay for their programs with an approved monthly payment plan arrangement must complete and sign Attachment D of the Enrollment Agreement. **Explanation of Program Withdrawal and Refund Rights**

**STUDENT’S RIGHT TO CANCEL** A student has the right to cancel an enrollment agreement by mail, FAX, or postal service through the first day of the course, or the seventh day after signing the enrollment agreement, whichever is later (the “Cancellation Period”), and obtain a full refund of all monies paid, less the non-refundable STRF fee, which is currently zero dollars (\$0.00) per one thousand dollars (\$1,000) of institutional charges and applies only to California residents, the non-refundable application fee of \$75, and the non-refundable \$100 registration fee

As specified in the Table below, students canceling after the Cancellation Period will, or will not, receive a refund of tuition

**Note:** The written notice of cancellation may be given by e-mail, fax, or postal service (in which case, the effective date begins the day the letter is postmarked, if the envelope is properly addressed and the postage is prepaid). The “Official Notice of Withdrawal” form can be downloaded from the University website under *How to Apply>Applications & Forms>Program Withdrawal Form*

For the purposes of determining the student’s obligation for the time attended, the student will be considered to have withdrawn from the program when any of the following occurs, unless the Dean or Program Director determines a different course of action:

- The student notifies the school of the withdrawal.
- The school terminates the student’s enrollment.
- The student fails to attend classes for a three-week period. In this case, the date of withdrawal will be the last date of attendance.
- The student fails to submit three consecutive lessons or fails to submit a completed lesson required for home study or correspondence within 60 days of its due date.
- The student has not responded to communication in any form from the University for four months.

Students who have been withdrawn from their program for any of the above reasons may be required to submit a new application (and all applicable fees) if they wish to continue in their program. Tuition for all courses is refunded based on the number of weeks completed.

For Courses Lasting from 7 - 10 weeks	Percentage of Tuition Refunded	SAMPLE CALCULATION based on \$1,700 tuition & records fee for a 9-week course
Week 1 (days 0 - 7)	100% of tuition refunded	Refund: \$1,700 (100% of \$1,700)
Week 2 (days 8 - 14)	70% of tuition refunded	Refund: \$1,190 (70% of \$1,700)
Week 3 (days 15 - 21)	40% of tuition refunded	Refund: \$680 (40% of \$1,700)
Week 4 (days 22 - 28)	20% of tuition refunded	Refund: \$340 (20% of \$1700)
More Than 4 Weeks (More than 28 Days)	0% of tuition refunded	Refund: \$0

If the student has received federal student financial aid funds, the student is entitled to the specified percentage refund based only on those moneys not paid from federal student financial aid program funds

If any portion of the student’s tuition was paid from the proceeds of a loan, the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of the refund will first be used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received. Any remaining amount will then be paid to the student. If there is a balance due, the student will be responsible in proportion to the amount of the benefits received. Any remaining amount will be paid to the student.

All monies due the student will be refunded within 30 days of the notice of cancellation.
