Notice Concerning State Approval

Anaheim University is approved to operate by the California Bureau for Private Post-Secondary Education. "Approval to operate" means that Anaheim University operates in compliance with state standards as set forth in the California Education Code and the California Code of Regulations.

Notice Concerning Transferability of Units and Degrees Earned at our University

Anaheim University is accredited by the Distance Education Accrediting Commission (DEAC). The DEAC is listed by the U.S. Department of Education as a recognized accrediting agency and recognized by the Council for Higher Education Accreditation (CHEA). In general, qualifications from accredited universities are widely recognized; however, prospective students are advised to check with their respective school districts, state, professional organizations and government agencies when licensing and/or credentials are the eventual objective of the prospective student. It is entirely up to the discretion of the college, university or institution for which a student is seeking admission, to decide on the acceptance of the said student into a given degree program and the transferability of units and degrees to other institutions is not guaranteed. It is recommended that if transfer of credit or degree is the eventual goal of the prospective student, that the student contact all institutions in which the student is potentially interested in seeking enrollment. The transferability of credits you earn at Anaheim University is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the MBA, Graduate Diploma or Graduate Certificate you earn in International Business or Sustainable Management is also at the complete discretion of the institution to which you may seek to transfer. If the credits or MBA degree, Graduate Diploma or Graduate Certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Anaheim University to determine if your credits or degree, diploma or certificate will transfer.

I have received all of the materials in the following checklist of Pre-Enrollment Disclosures, which I acknowledge by initialing them:

Explanation of Program Withdrawal and Refund Rights

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel an enrollment agreement in any manner through the first day of the course, or the seventh day after signing the enrollment agreement, whichever is later (the "Cancellation Period"), and obtain a full refund of all monies paid, less the STRF fee, which is currently fifty cents (\$.50) per one thousand dollars (\$1,000) of institutional charges and applies only to California residents. Students canceling after the seven-day Cancellation Period will receive a refund of all amounts paid, less the non-refundable registration fee of \$100 and the non-refundable application fee of \$75 (for graduate programs) or \$50 (for undergraduate programs).

The written notice of cancellation may be given by e-mail, fax, or postal service (in which case, the effective date begins when the letter is deposited in the mail properly addressed with postage prepaid). The "Official Notice of Withdrawal" form can be downloaded from the University website.

For the purposes of determining the student's obligation for the time attended, the student will be considered to have withdrawn from the program when any of the following occurs, unless the Dean or Program Director determines a different course of action:

- The student notifies the school of the withdrawal.
- The school terminates the student's enrollment.
- The student fails to attend classes for a three-week period. In this case, the date of withdrawal will be the last date of attendance.
- The student fails to submit three consecutive lessons or fails to submit a completed lesson required for home study or correspondence within 60 days of its due date.
- The student has not responded to communication in any form from the University for four months.

Students who have been withdrawn from their program for any of the above reasons may be required to submit a new application (and all applicable fees) if they wish to continue. Tuition for all courses is refunded based on the number of weeks completed

For Courses Lasting up to 6 Weeks	Percentage of Refundable Tuition	SAMPLE CALCULATION based on \$1,325 tuition for a 6-week course
Week 1 (days 0 - 7)	100% of tuition refunded	Refund: \$1,325 (100% of \$1,325)
Week 2 (days 8 - 14)	70% of tuition refunded	Refund: \$927.50 (70% of \$1,325)
Week 3 (days 15 - 21)	40% of tuition refunded	Refund: \$530 (40% of \$1,325)
Week 4 (days 22 - 28)	20% of tuition refunded	Refund: \$265 (20% of \$1,325)
Weeks 5 - 6	0% of tuition refunded	Refund: \$0

If any portion of the student's tuition was paid from the proceeds of a loan, the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of the refund will first be used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received. Any remaining amount will then be paid to the student. If there is a balance due, the student will be responsible in proportion to the amount of the benefits received. Any remaining amount will be paid to the student. If the student paid for his/her entire program at the time of enrollment and received the 10% tuition discount for payment in full, the regular course tuition will be used in the calculation of the refund since the discount will no longer apply. All monies due the student will be refunded within 30 days of the notice of cancellation.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.
